	<p><b>CONI PIROMETRICI</b>                      Altezza cono mm. 60.                      Confezionato in scatole da 100 pz.                      Dimensioni scatola cm 14 x14 x9 (circa).                      Peso netto kg. 0,9 (circa).                      Le temperature indicate in tabella sono riferite ad un gradiente di 150°/ora  <b>Nota:</b> Le temperature sotto indicate sono approssimate, essendo il risultato finale fortemente condizionato dal ciclo di cottura, dall'atmosfera del forno, ecc. ecc.</p> <table border="1"> <thead> <tr> <th>N.
